Q: What was the most anticipated moment of your wedding day?

The most anticipated moment of my wedding day was seeing Garet for the first time as my dad walked me down the aisle.

Q: Why did you choose your photographer?

We felt a connection with Lindsey and Casey immediately. We had a lot of things in common and knew they would be the perfect couple to capture all of our precious memories.

Q: Tell us about "the" dress. Who was with you when you found it?

The dress was my favorite part! The dress was strapless,

sweetheart neckline, and laced up like a corset in the back. It had just enough detail. The first dress I tried on was the one that I bought. My mom and one of my bridesmaids, Lindsey went with me.

Q: What was your something blue?

My friend Emily made me a Florida Gators garter. It was a surprise for Garet because the Florida Gators are his favorite college football team.

Q: What were you thinking as you walked down the aisle?

I was thinking I couldn't believe this day had finally come and I was getting to marry my best friend.
