Q: How did you and your husband meet?

We met in highschool. I had just written an article for the school newspaper about fun date activities in Memphis. I was walking to class when Sam came up to me with the article in his hand. He quickly introduced himself and said, "This is a great article, I think we should do all of these things together." And so we did!

Q: What was the most anticipated moment of your wedding day?

I most anticipated the moment when I got out of the carriage with my dad and began to walk down the aisle. I just couldn't wait to see Sam's face as we saw each other for the first time on our wedding day.

Q: Why did you choose your photographer?

I chose my photographer because I wanted someone who could not only take beautiful pictures but could also capture our personality and emotions. Photiq was the perfect choice. Our pictures are amazing and I can clearly see everything we were feeling on that day.

Q: What was your favorite wedding moment?

My favorite moment was our last dance. Everyone went outside to wait for us to leave so we had the whole dance floor to ourselves. It was the perfect way to end the day. Then we went outside and everyone showered us with flower petals.
