Wedding Planning by Southern Event Planners

Q: How did he propose?

We've been everywhere imaginable. During our vacation to Honolulu, HI, I noticed he was very nervous throughout the trip, and I wasn't quite sure why. One night while we were walking on the beach after dinner, he proposed to me behind the famous Duke Kahanamoku Statue on Waikiki Beach. I was so surprised and shocked that I almost didn't know what to say.

Q: What was your favorite part about planning your wedding?

How easy it was. I cared only about marrying Coley and didn't care too much about wedding details. Thank God I had the best wedding planner in the world who made my wedding beautiful and was everything I could've imagined and more.

Q: How did you choose your colors?

Two of my best friends in the wedding were red heads, so I knew red was out. I wanted to find a rich color and have contrast between the colors I chose. I chose an eggplant purple with bright light green and white orchids. It was absolutely gorgeous.

Q: Why did you choose your wedding planner?

I interviewed with few, and Angela made me feel the most comfortable. She knew how laid back I was and I knew how on top of things she was. To me, we were a perfect match.

Q: Why did you choose the facility you chose for your reception?

Coley loves animals. He wanted to be a veterinarian as a child. He actively supports various groups like the World Wildlife Fund. It was perfect for us. The place was warm, laid back, and surrounded by a natural environment. To be honest, we could've been anywhere and it would've been fine.

Q: Where did you go on your honeymoon?

We went to Hong Kong for our honeymoon. It was my birth place and Coley really wanted to see it with me. We had so much fun!
